	Occupational Health & Safety Policy	Page 1 of 2

PERI Formwork Systems Inc. is committed to providing and maintaining a safe and healthy working environment for all its employees, contractors, and visitors. We believe that a strong health and safety culture is **fundamental to the success of our employees and operations.**

Our Commitments:

- **Prevention** - We are committed to preventing work-related injuries, incidents, and near misses through proactive hazard identification and mitigation.
- **Compliance** - We will comply with all relevant health and safety legislation, regulations, and internal requirements.
- **Participation** - We actively encourage the participation of all workers and welcome consultation with them and their representatives on health and safety matters.
- **Risk Management** - We will identify hazards, assess risks, and implement effective control measures to eliminate or minimize hazards.
- **Resources** - We will provide the required resources, including training, equipment, and procedures, to maintain and improve safety performance.
- **Communication** - We will ensure timely, open and effective communication of health and safety information to all Stakeholders.
- **Review and Evaluation** - We will regularly review our policies, procedures, and performances to ensure continuous improvement and effectiveness.

Overall, we are committed to the continual improvement of our Occupational Health and Safety Management System and to fostering a workplace culture where health and safety are a shared responsibility.

Massimo Lopardo
